CE

Create the health with science and technology

Application

- Diagnose the pregnancy of Swine, Bovine,Ovine, Canine, Feline and other animal
- Diagnose animal´s uteri and fetus condition
- Automatically calculate the Back fat and Lean percentage

Function feature

- Display mode：B、2B、4B 、B/M、M, total 5 kinds
- 100 frames permanent storage, 256 frames cine loop
- Internal eight pseudo colors (incl.B/W)
- OB measurement: EDD and GA for Bovine, equine, ovine, canine, feline, goat, swine and llama
- OB report
- Grid: 6 kinds (None Grid、Line grid、Point grid、10mm spcae point ruler、2mm spcae point ruler、10mm and 2mm spcae point ruler)
- USB port support large capacity USB disk (support document management /software upgrades/one-key storage)
- Support color laser printer directly print various image and reports

Standard configuration

- Main unit: 1 pc
- Probe : 1 pc
- Lithium battery : 1 pc
- Sunshine cover : 1 unit
- Black plastic suitcase : 1 pc

Optional configuration

- Lithium battery
- Leather Case saddlebag

Optional probe

6.5MHz multi-frequency linear rectal probe

4.0MHz multi-frequency convex rectal probe (patent probe)

3.5MHz Veterinary loin muscle linear probe

3.5MHz multi-frequency convex probe

7.5MHz multi-frequency linear probe

6.5MHz multi-frequency micro-convex probe

KAI XIN

DISTRIBUTOR

THE PRODUCT TAKES REAL OBJECT AS QUASI IF ANY FLUCTUATION HAPPENS, FORGIVING NO ANOTHER NOTICE IN THE LINE.

Edition No: ZL-RKU10-2013-01

VET

RKU10

Veterinary B mode ultrasound scanner

KAI XIN

Professional manufacturer of ultrasound scanner for veterinary use

RKU10

Veterinary B mode ultrasound scanner

With Most Convenient Experience You Never Know!

RKU adopt sophisticated hardware craft, ultra light weight, ultra long–time battery work, unique ring design, multiple use method, convenient for long–time using but eliminating operate fatigue.

Features

Sophisticated craft, have soft rubber coat, splash–proof, dust–proof. Easy to clean

Multiple use method: hand–held, chest hanging, ect.

Available for left/right hand alternative use, eliminating operate fatigue.

Net weight：1.1kg. Smart and light.

5.7" High resolution color **LED**, high brightness, high contrast, wide visual.

High–capacity lithium Battery , more than 6 hours work.
